

# COVID-19 TESTING

*Thank you for choosing Medical Access in Germantown for your expedited COVID testing.  
We are doing all we can to streamline the process, but the incredible demand still results in lines.  
We appreciate your understanding and patience in following these steps:*

## STEPS

1

Fill out our registration form and result sheet when you walk in.

2

Return the forms with your

- o Driver's license
- o Insurance card
- o Credit Card for deductibles and copay

3

Wait in your car until you are called to come inside. Usually, Wait time is approximately 30 minutes to 2 hours.

4

Inside you will get swabbed. We will return your license and insurance card. Those without insurance will self-pay at this time.

5

You can leave our premises.

This will help us to continue attending to the next patients in line.

6

If you have got a test you will receive a Tele-visit call within three hours from one of our providers via **Face Time (iPhone) or Google Duo (Android)**. Android users: Please download the Google Duo app.

7

If you get antigen(rapid) test – you will get the result on the same day, If you do a PCR test - you will get your results after 48-72 hours.

8

We are overwhelmed with the volume of calls. Please email us at [info@medicalaccessmd.com](mailto:info@medicalaccessmd.com) for COVID-19 testing procedure, results and question. You can stop by to pick up your results.
